

LOGO UPLOADING INSTRUCTIONS

The Coast FA Select Teams logo and club badge are shown at the top of the Select Team Managers' page. Use this artwork to upload into your team page of your league website. Please use the **club badge** for all league websites. The logo and badge are .jpeg files and are sized properly (no more than 150 pixels by 150 pixels). To upload the select logo or club badge into your league team page you must first save the logo or badge to your hard drive. Right click the appropriate logo or badge on the Select Team Managers' page and click on 'Save Picture as.' to save to your hard drive. Then follow the instructions for uploaded logos in your league website.
