

## **COAST FA TOURNAMENT PARTICIPATION POLICY Effective 07/01/08**

All Select Teams with official state team rosters (does not include PDC tournament team rosters) must follow the Tournament Participation Policy. All rostered players must pay for all tournament expenses incurred by the team, whether the player attends the tournament or not, with the exception of an injured player. If the injured player will be out for over 6 weeks, they will not be responsible for tournament expenses during this time. The tournament expenses include the application fee, administrative expense, and coach's travel expense.
